

CYBER SECURITY

PROTECT YOUR BUSINESS WITH TRUE EXPERTS

LONDON
BASED

FOUNDED IN
1995

AWARD-WINNING
BRAND

Cyber Security protects businesses against cybercrime, costing the UK several billion pounds per year. Cyber Security is also one of the **largest growing areas in IT** with some 74% of Directors regarding it as a high priority issue. Yet while cybercrime becomes more sophisticated there is an estimated shortfall of nearly three million experts in the next few years, with many of these being inadequately qualified. Long-term security is paramount to company growth and brand trust.
